

For over 120 years, with its expertise in hydraulics and mechanics and its mastery of plastics technology, the name MAGURA has stood for technical innovation combined with outstanding safety and excellent quality. Every day, some 550 employees in Europe, Asia and the USA develop, produce and market high-tech components for all types of two-wheelers – bicycles, mountain bikes, eBikes and motorcycles. Our sales, logistics and service organisation MAGURA Bike Parts positions and markets MAGURA products throughout Europe. Another major field of activity for MAGURA Bike Parts is the full-range service offered for Bosch eBikes as well as the distribution of other branded products from the bicycle sector.
